**Antonio**: I'm going to log in as Wynne
**Antonio**: and answer those questions on reddit
**Antonio**: what is our login info?
**me**: Wynne_LeGrow
**me**: password: tabbycat
**Antonio**: great
**Antonio**: are we, as the author, allowed to post faster than another user?
**Antonio**: I noticed reddit didn't want me posting more than once every 5 min. or so
**me**: yes
**me**: that will change on your account when you have more karma
**me**: I think
**Antonio**: ah
**Antonio**: wtf is karma?
**me**: the accumulation of all the upvotes you get for links or comments
**Antonio**: ah
**Antonio**: cool
**Antonio**: so we have a lot already?
**me**: yep
**me**: but karma doesn't really do anything aside from that
**Antonio**: alright
**me**: also, that press release should be e-mailed to some bloggers
**me**: I'll provide e-mail addresses later today
**Antonio**: great
**Antonio**: by the way
**Antonio**: I cannot tell you
**Antonio**: how pleased I am
**Antonio**: that the Quimby - Sideshow Bob debate played out on our reddit
**me**: yeah, that's reddit for you
**Antonio**: these people are nuts
**Antonio**: in the best way
